

## Snowshoe Tour Wetterhorn

The Wetterhorn Snowshoe Tour is an easy trail with impressive views. Beginning on the outskirts of the idyllic mountain village Grindelwald, the marked route gently climbs along the foothills of the towering Wetterhorn towards Grosse Scheidegg. Views of the Upper Grindelwald Glacier, First ski resort and Schynige Platte greet us as we wind our way through alpine meadows and snow covered forests.

At the rustic Ischboden mountain hut we have the opportunity to have a snack and visit the Alpine Bird Park while the world famous Eiger north face looms in the distance. The path loops back down to the Wetterhorn carpark, completing an unforgettable winter experience.
